Official Reopening of Cortleigh Park

May 12, 2005

Dear Neighbour,

As you may know, Cortleigh Park playground was reconstructed last Fall with the assistance of the community. The project was a joint initiative between the City and the community, whereby local residents provided matching funds to assist the City to re-develop the park. Many children are now using the park and are enjoying the new amenities.

We wanted to celebrate the success of this joint initiative by holding an Official Reopening Event. This event will be an opportunity for you to meet with other area residents and enjoy the new park. Kosher refreshments, and children's entertainment will be provided in the park during the celebration. We will also be unveiling a plaque, commemorating this great community partnership.
